An aerial photograph of Zahara de los Atunes, a coastal town in southwestern Spain. The town is built on a peninsula, with a river flowing through it from the north. The buildings are densely packed, with many having red-tiled roofs. A large, modern apartment complex with orange facades is prominent in the center. The town is bordered by a wide, sandy beach that meets the sea. The water is a vibrant blue-green color, with white waves breaking along the shore. The surrounding landscape is a mix of dry, brownish terrain and green fields.
